

*Progress Report #6  
May 24, 2007*

Harrell Contracting Group, LLC has been selected as the general contractor for the construction of *The Pinnacle at Jackson Place*. Harrell Contracting Group is a Jackson-based, multi-faceted contracting firm offering general construction, construction management, design-build, consulting and development services to a broad base of clients throughout the southeast. Harrell has recently won Associated Builders and Contractors Merit Awards for projects including the renovation of the Electric 308 Building in downtown Jackson and the Mississippi Emergency Management Agency Administration/Operations Building.

Jack Sullenberger, Senior Vice President of Technical Services for Parkway remarked, "Mike Harrell and Harrell Contracting have a strong reputation within the construction industry for their professional services and involvement in first-class real estate developments not only in Jackson, but throughout Mississippi and the southeast."

*Groundbreaking ceremonies for the 194,000 square foot, nine-story building will be Friday, June 1, 2007 at 10:00 AM on the Plaza at One Jackson Place and the public is encouraged to attend. Come be a part of this historic event and renaissance of Jackson.*
